NOTES TO FINANCIAL STATEMENTS

NOTE A – ORGANIZATION AND PROGRAM SERVICES

Compassionate Care ALS, Inc. was incorporated as a non-profit organization in 2002 and grew out of the work of the Gordon T. Heald ALS Fund. Gordon T. Heald was an active New England businessman who participated in and gave generously to local charities. In 1997 he was diagnosed with ALS. Before Gordon's death, the idea of starting a fund for ALS families in his name came to light. An announcement in Gordon's obituary in October 1998 generated the seed money for the Gordon T. Heald ALS Fund. Compassionate Care ALS, Inc. is dedicated to providing assistance to families in dealing with the complexities of ALS. Compassionate Care ALS, Inc. models compassion to those affected by ALS by providing educational and legal resources, respite opportunities, instruction and guidance, subsidy of living aids and assistance, durable goods and intimate dialogue with patients and their caregivers, families, and friends. The Organization's approach draws from hands-on experience and strives to understand the overwhelming dynamics ALS families endure.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

The Organization prepares its financial statements in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets as defined below:

Unrestricted Net Assets – consists of assets, public support and program revenues which are available and used for operations and programs. Contributions are considered available for unrestricted use unless specifically restricted by the donor.

Temporarily Restricted Net Assets – includes funds with donor-imposed restrictions which permit the donee organization to expend the assets as specified and is satisfied either by the passage of time or by actions of the Organization. Resources of this nature originate from gifts, grants, bequests, contracts and investment incomes earned on restricted funds.

Permanently Restricted Net Assets – includes resources which have a permanent donor-imposed restriction which stipulates that the assets are to be maintained permanently, but permits the Organization to expend part or all of the income derived from the donated assets.

Recognition of Donor-restricted Contributions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Restricted contributions received and expended in accordance with the donor's restrictions in the same fiscal year are recognized as unrestricted public support in these financial statements.
